About SCHOOL

Since 1940, HAPPO-ONE SKI SCHOOL

has been one of the oldest ski schools with top-level ski and snowboard instructors in Japan.

We offer private lessons for English speaking guests.

Our mission is that everyone gets the best learning experience in a safe environment.

By tailoring a lesson to individuals, we ensure the best quality lesson regardless of their skill level or age, from beginner to expert and from young children to seniors.

Our instructors are all professional and they come from around the world to share their great knowledge that is based on years of experience.

We will make your learning experience not only the most efficient but also fun and exciting! Children are learning skiing and snowboarding with smile in the safe environment.

Safety is No.1 priority for us.

Welcome to our playground !
